Serve Across America

1995 Global Fellow

PERSONAL BIO

Andrew Newsom is a professional EOS implementer, helping entrepreneurial organizations implement the EOS system (also known as "Traction"), which is a set of time-tested, practical tools that helps entrepreneurs solve issues in their business at the root level. Previously, Andrew started and ran Wisteria, a national home decor retailer, before selling to a private equity group in 2018. His passion is helping fellow entrepreneurs turn good organizations into great organizations by using the EOS methodology. Andrew is always willing to help any Echoing Green Fellow who is interested in EOS; his website is www.plantingtraction.com. Andrew is a 1995 Echoing Green Fellow.
