

RANDALL ZUCKERMAN

Primary Care Apprenticeship

1993 Global Fellow

PERSONAL BIO

Dr. Zuckerman completed his undergraduate degree at The Colorado College and his medical training at Dartmouth Medical School. He was an Echoing Green public service fellow during medical school. He finished his surgery residency at The Mary Imogene Bassett Hospital, and then completed a hepatobiliary fellowship at The University of New South Wales in Sydney, Australia. Dr. Zuckerman founded the Mithoefer Center for Rural Surgery which is dedicated to ensuring that rural citizens have access to high-quality surgical services. www.centerforruralsurgery.org
