BIG BOLD IDEA

Shape the next frontier in microfinance by providing direct, crowd-sourced investment from individuals to micro-business owners caught in the space between a traditional micro-loan and commercial bank finance.

ORGANIZATION OVERVIEW

Tala is revolutionizing financial markets by providing a standardized global credit score for anyone with a mobile phone, thereby increasing efficiency, transparency, and driving down costs. Tala's first product, InSight, is a text-messaging based system that enables individuals to perform basic accounting, demonstrate creditworthiness, and access financial services all through SMS.

PERSONAL BIO
