

CAROL CHYAU

Ventures in Development

Co-Founded with Marie So

2008 Global Fellow

BIG BOLD IDEA

Catalyze the growth of social enterprises in Greater China by building profitable models that will generate economic development along the Tibetan plateau.

PERSONAL BIO

Carol Chyau co-founded Ventures in Development while pursuing a Master's in Public Administration in the Harvard Kennedy School's International Development Program. Since experiencing firsthand the challenges of launching a social enterprise in China, she is better equipped to help incubate future enterprises.
