

# CAROL CHYAU

---

**Ventures in Development**

---

Co-Founded with Marie So

---

2008 Global Fellow

**BIG BOLD IDEA**

Catalyze the growth of social enterprises in Greater China by building profitable models that will generate economic development along the Tibetan plateau.

**PERSONAL BIO**

Carol Chyau co-founded Ventures in Development while pursuing a Master's in Public Administration in the Harvard Kennedy School's International Development Program. Since experiencing firsthand the challenges of launching a social enterprise in China, she is better equipped to help incubate future enterprises.
