ABHISHEK SEN

Biosense Technologies Private Limited

Co-Founded with Aman Midha

2010 Global Fellow

BIG BOLD IDEA

Prevent the one million anemia-related maternal and infant deaths that occur in developing countries each year, by introducing an affordable, effective, and non-invasive screening and monitoring tool.

PERSONAL BIO

Aman & Abhishek believe in the development of socially relevant technology which empowers the communities in low resource settings by providing them with a pertinent technology which gives them an equal opportunity to improve their lives.
